## **A BENEFIT FOR THE PERFORMING ARTS FOUNDATION**

This Inaugural Gala Fundraiser will benefit the Federal Way Performing Arts Foundation, a 501(c)3 non-profit, with the mission to advance, enhance and enrich performing arts in the community. Beginning life as the *Coalition of the Performing Arts* with the purpose of securing funds for the construction of the Performing Arts & Event Center (PAEC), the Foundation now supports the programs of the PAEC.

“We believe that performing arts are essential to strong communities, enriching lives, and provide a deeper understanding and appreciation of diverse cultures.”

The Foundation’s priority this year will be creating a scholarship and bus fund for the **ARTS 4 Youth** program. This educational series will allow more than 10,000 students in South King County K-12 classes to attend and learn from world-class performances at the PAEC that correspond with hands-on classroom learning before or after the performance. **ARTS 4 Youth** programming supports statewide CORE curriculum standards, and is designed to encourage experienced-based memories that are intended to cultivate inspiration, ingenuity, and a life-long appreciation of the arts.

### **About the PAEC**
